

# Fairy Dish and Air Care Recycling Programme

Every year, thousands of pieces of dish and air care packaging end up in landfills across New Zealand.

The Dish and Air Care Recycling Programme allows us to recycle these types of packaging and prevent them from ending up in landfill.

Not only are you helping the environment, but the items you recycle with us have the potential to earn funding for our chosen school or charity. We receive \$0.02 for each unit of dish and air care packaging we recycle.

1  
Collect your dish and air care packaging.

2  
Drop off your dish and air care packaging here and we will send it to TerraCycle® who will recycle it into new products.

3  
The dish and air care packaging sent will allow us to earn points which will be redeemed as a financial donation to

Name of the school or charity
